# MeDiSco *pluss*

**NO AGE LIMIT, NO PRE- MEDICAL TEST...!**

A single MeDiSco<sup>pluss</sup> card can cover your entire family, from children to grandparents, eliminating the need for separate plans.

## Benefits:

- MediscoPluss – One Card, Complete Family Healthcare
- Save on doctor visits — pediatric, general & specialist consultations.
- Discounts on vaccinations, lab tests, and annual health check-ups.
- Reduced cost on monthly medicines for children and senior citizens.
- Affordable dental care & wellness services for the entire family.
- Use multiple times a year across our trusted healthcare partners.
- No Pre-Medical Test, No Age Limit.

"Simplify Your Medical Insurance Claims with Our Expert Help!"

### Our Services:

- Fast, hassle-free medical claim filing
- Expert management of your claims from start to finish
- Maximize your reimbursements and benefits
- Clear, ongoing communication and updates throughout

"The biggest opportunity for everyone to access free hospital, trust, and nonprofit CSR services - usually beyond the common man's reach."

### Our Services:

- Information on CSR Programs by top hospitals across India
- Access to Charitable Trusts & NGOs offering free surgeries and care
- Guidance for getting Medical Equipment like wheelchairs, oxygen concentrators, etc.

# Benefits for Special Health Needs

## Critical illness Patients

- Discounts on specialist consultations, costly medicines, and scans.
- Save on chemotherapy, dialysis, ICU stays & hospital bills.
- No exclusions - start using benefits immediately.

## Birth defects/ Congenital Disorders

- Savings on frequent tests, pediatric consults, and planned surgeries.
- Lower costs for therapies (speech, physio, occupational).
- Covers family members too - supports long-term care.

## Accident Patients

- Reduced bills for emergency treatments, surgeries & hospital stays.
- Discounts on medicines, diagnostics, physiotherapy during recovery.
- Same card usable for other family member's healthcare needs.

# Benefits for

## During Pregnancy

- Save on monthly doctor visits and routine lab tests (including ultrasounds).
- Get 10–25% off essential vitamins and prescribed medicines during pregnancy.
- Enjoy discounts on normal & C-section delivery charges at partner hospitals.
- Extend benefits to newborns for vaccinations and pediatric visits.

## Your Whole Family

- Get discounts on regular pediatric visits, vaccinations, and dental care.
- Save money on monthly prescriptions for chronic conditions and children's medicines.
- Annual health check-ups and lab tests become more affordable with discounts on labs and imaging centers.
- The card works like a healthcare savings plan, usable multiple times a year for all your family's needs.

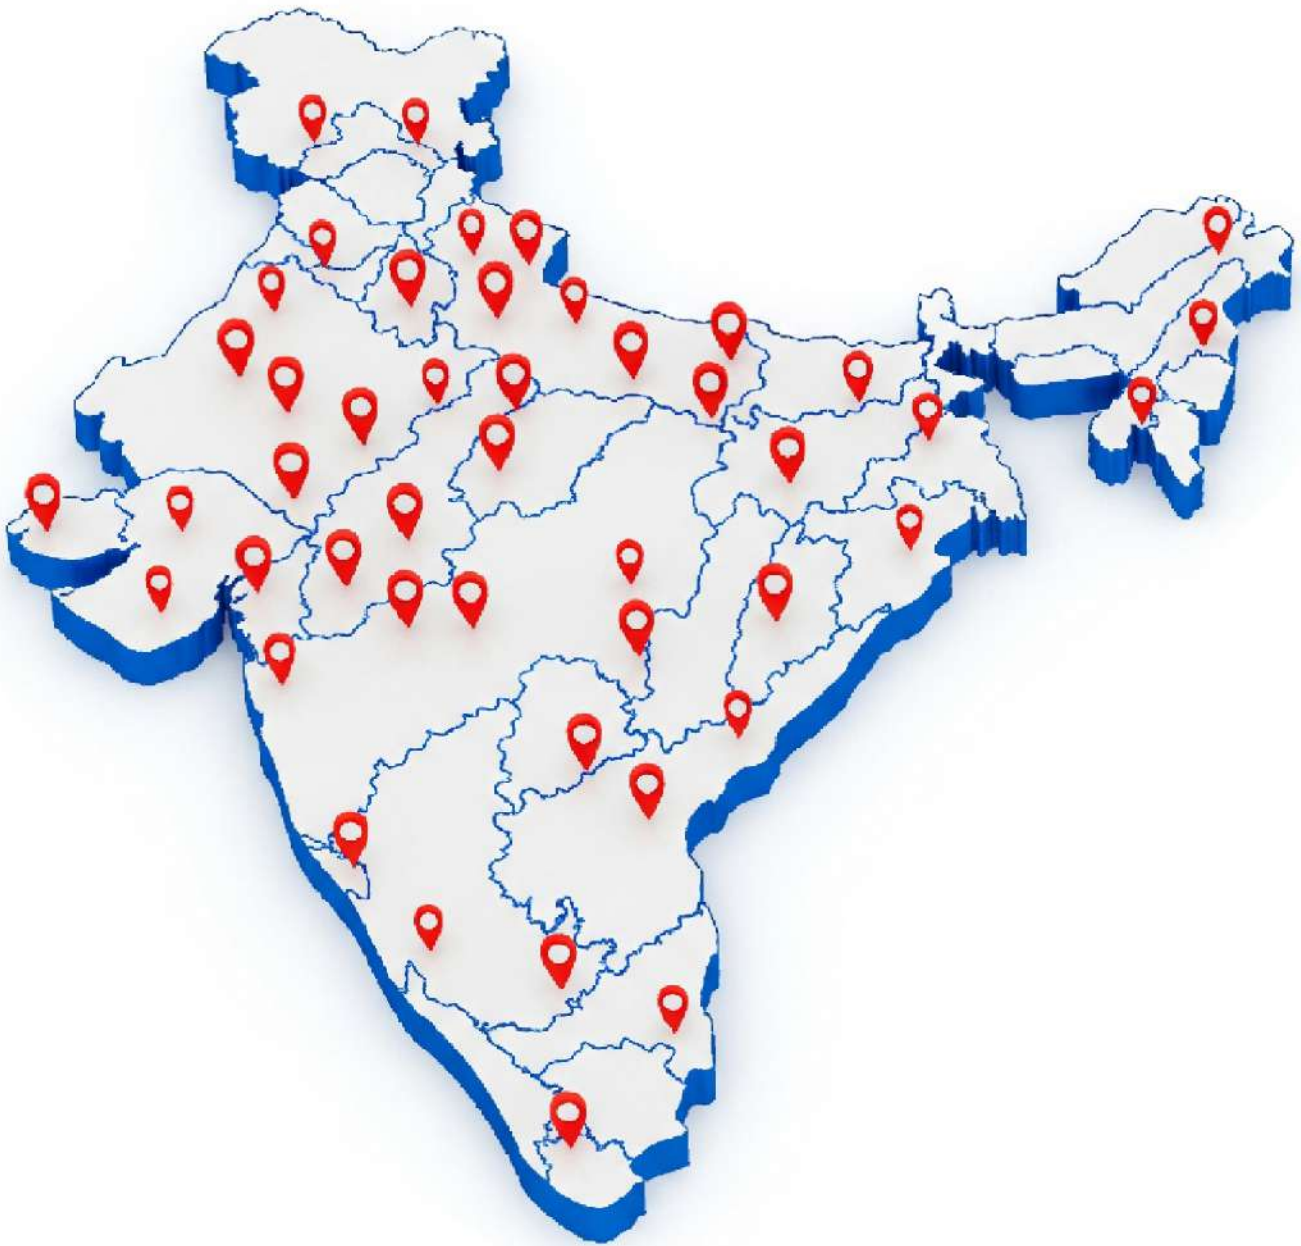

## Senior Citizens

- Save on regular specialist checkups and 10–30% on monthly medicines.
- Get discounts on routine lab tests (blood sugar, lipid profile, X-rays).
- No age limit or medical tests - simple and practical for seniors.
